NOTES

¹This material is made by hand and has an extreme variation range in tone and amount of antiquing.

²Option to not grout in dry areas.

Tech Note: Gaslight cannot be tempered. Can be used with Category 2 safety backing as an alternate with no minimum and is available on a special order basis.

For high heat areas, the use of CR Laurence Glazier Tape is recommended for straight edge tiles. For high heat areas, a 1/8" grout joint is recommended.
