

# GIBRALTAR

---

Named for the rocky promontory off the southern coast of the Iberian peninsula, this European marble is a cool dark gray. Stocked in two finishes, Gibraltar is handsome as a brushed marble, with a deep gray background and swirling white clouds, or in our antiqued finish, with chalky white texture on a soft gray background. Mix our two finishes for an on-palette contrast, or specify one for smooth consistency across your surfaces.

# GIBRALTAR

*Antiqued*

*Brushed*
