CHARLESTON MIRROR

Metallurgy meets chemistry in the Charleston Mirror Collection. Handmade using traditional techniques by skilled artists, this exquisite mirrored glass is painstakingly created piece-by-piece using a classic antiquing process.

NOTES

[1] Extreme variation in both color and texture from piece to piece and lot to lot.
Carolina Mirror - V4
[2] Waterjet - 12" × 24" × 3/8"
[3] Alternate grout for Carolina Mirror only - Ardex FG-C Microtec Unsanded
Tech Note: Tempered Charleston Mirror (12" × 12" × 1/8" minimum size) is available on a special order basis for high heat applications. Gaslight, Veranda & Armory cannot be tempered. Can be used with Category 2 safety backing as an alternate with no minimum and is available on a special order basis.
For high heat areas, the use of CR Laurence Glazier Tape is recommended for straight edge field tiles. For high heat areas, a 1/8" grout joint is recommended.
Mirror may be set with a minimum joint of 1/16" and left un-grouted if desired.
